Guide to the FRCA examination **The Final**

June 2008

This essential study guide is intended for use by candidates preparing for the Final FRCA examination leading to the Diploma of Fellow of The Royal College of Anaesthetists. It will also be useful to tutors and trainers assisting candidates to prepare for the examination.

270 MCQs with answers have been drawn from the College questions bank to illustrate the range and content of the questions.

36 SAQs with suggested answers are provided from recent Final examinations.

Clinical anaesthesia and clinical science Structured Oral Examination questions with answers have been drawn from recent examinations. These provide a guide for examination preparation and a template for practice orals.

A copy of the Final FRCA Guide can be obtained by completing and posting the order form below.
