

Primary FRCA OSCE/SOE Examination

4 – 9 November 2019

Candidate pass/fail list (in Candidate Number order)

Please do not call the College to confirm your Candidate number. All candidates will be notified of their results by first class post within the next seven working days.

No results will be given or confirmed by telephone.

PPASS indicates a component pass was achieved at a previous sitting. You must achieve a pass 'overall' to pass the Primary FRCA. If one section is failed and the other passed, only the failed section needs to be retaken. If both sections are failed then they must be retaken at the same sitting.

The College strongly advise all candidates to discuss their exam outcomes and overall results with their CT/educational supervisor to assist with improving performance at future examinations if needed and to inform discussions on further continuing professional development.
