

Airway Leads Day A joint RCoA and DAS event 5 March 2020

Venue: Royal College of Anaesthetists, London

Registration: £155

Clinical Content Lead: Dr Alistair McNarry

The Royal College of Anaesthetists (RCOA) and Difficult Airway Society (DAS) are delighted to announce the fourth Airway Leads Day.

Join fellow airway leads from across the country to share best practice and address key topics including airway databases and changes to the curriculum and what it might mean for airway management.

Six quick-fire presentations complement the programme and uncover best practice nationally.

Plus, there will be an opportunity to unwind and network at the post-event drinks reception.
