

## Shape the Future of the Final FRCA Exam!

We are seeking **doctors in training** to participate in the pilot of our new **Final FRCA Clinical Performance Exam**.

The Final Clinical Performance Exam will replace the current SOE, with an anticipated launch in the academic year 2027 – 28, subject to successful piloting and approval from the General Medical Council. The proposed format is a series of 8-minute clinical performance stations delivered within a circuit-based exam.

### Why participate?

- Be part of the development process of this significant examination.
- A complimentary sandwich lunch will be provided, and standard travel expenses (rail/bus fares) will be reimbursed.
- Gain performance feedback from a new feedback mechanism being piloted.

Details of the Pilot	
Date	<b>Tuesday, 20 May 2025</b>
Time	10am – 4pm but half day contribution will be considered.
Location	<b>Conway Hall, 25 Red Lion Square, London</b> Conway Hall is very near the College, which is closed during this period for essential works.
Eligibility	Pre Final FRCA (must have passed Primary FRCA) Just post Final FRCA (within one year of passing) Candidates requiring reasonable adjustments are warmly welcomed

### What participants can expect:

- Take part in the new exam and provide feedback on its format, content, and timing.
- Share insights in an **on-day debrief** and a **post-pilot survey**.
- Receive **detailed information** in advance to prepare.

**To register as a candidate for this pilot exam, please complete our Pilot Candidate Information Form**

Contact Tanya at [twright1@rcoa.ac.uk](mailto:twright1@rcoa.ac.uk) if you have any questions

**Registration Deadline: Monday, 7 April 2025**

*Help us create a better exam experience while benefiting from this unique opportunity. We look forward to your involvement!*
