

Global Anaesthesia Fellow

Zambia Anaesthesia Development Program

Starting August 2019 & February 2020

- 2 senior trainees
- Post FRCA at start of post
- 6 or 12 month posts
- Opportunities to engage in education & leadership/patient safety

An opportunity for anaesthesia trainees to join a cross-cultural training experience which aims to promote anaesthetic development in Zambia. Highlights of the post include exposure to a varied and challenging clinical case mix; education experience including simulation-based teaching and educational resource development; leadership/patient safety including supporting systems changes to improve the quality of perioperative care in Zambia; and the opportunity for involvement in research projects. The post is recognised by the RCOA as OOPT, has excellent support from UK based ZADP team and local faculty in Zambia.
