

Global Anaesthesia  
Development Project

# Global Anaesthesia Fellow

Zambia Anaesthesia  
Development Program

## Zambia Anaesthesia Development Program

### Starting August 2019 & February 2020

- **2 Senior anaesthesia trainees who have finished, or close to the end of training.**
- **UK and non-UK international graduates invited to apply**
- **6 or 12 month posts**
- **Opportunities to engage in education or leadership & patient safety**

An opportunity for anaesthesia trainees to join a cross-cultural training experience which aims to promote anaesthetic development in Zambia. Highlights of the post include exposure to a varied and challenging clinical case mix; education experience including simulation-based teaching and educational resource development; leadership/patient safety including supporting systems changes to improve the quality of perioperative care in Zambia; and the opportunity for involvement in research projects.

The post has excellent support from UK based ZADP team and local faculty in Zambia.

For further information please go to our website [www.zadp.org](http://www.zadp.org), where we will advertise when applications and interviews are planned.

### The application involves:

- In no more than 300 words: why you would like this posting and what you could contribute.
- Curriculum Vitae (less than 5 pages)

To the following address to: [infogadp@gmail.com](mailto:infogadp@gmail.com)  
closing date - 23rd November 2018

### Interviews

We hope to arrange interviews at the Royal College of Anaesthetists in London mid December 2018, but provision may be made for teleconferenced interviews for applicants unable to travel for interview
