EXAMINATION CANDIDATE
PHOTOGRAPHIC PROOF OF IDENTITY AT:
MCQ, WRITTEN, ORAL AND OSCE EXAMINATIONS

All candidates for examinations of the Royal College of Anaesthetists are required to have with them, at the time of taking the SAQ/MCQ, Oral or OSCE components of their examinations, photographic identity. This should be in the form of a passport or photo driving licence. The candidate must be able to produce this when requested by a College Officer or security staff working on behalf of the Royal College of Anaesthetists. Hospital ID is not acceptable.

Where the name on the photographic identity being used is not identical to that given on a candidate’s application form, due to marriage etc, then the original marriage certificate or solicitor’s letter, as appropriate, must also be produced. The College should be informed in advance of attendance where this is the case. (020 7092 1521)

FAILURE TO PRODUCE A FORM OF PHOTOGRAPHIC IDENTITY WILL RESULT IN THE CANDIDATE NOT BEING ALLOWED TO CONTINUE WITH THE EXAMINATION.
