

Royal College of Anaesthetists

## Return to Training Network Meeting

2 October 2019 | 10.30am – 4.45pm

**Venue:** Royal College of Anaesthetists, London

**Registration:** Free

Join us at the inaugural meeting for trainers who provide support to those returning after a break from training and those who help them to do so.

The RCoA is setting up a network of leads for supported return to training (SupportTT). This group will meet annually, as well as virtually, to exchange ideas and best practice as well as share experiences from this area of work. The network and meeting are open to all with an interest in SupportTT, particularly leads, from all Schools.

The network meeting will include:

- discussions on resources available to support RTT
- what makes up a good RTT course programme
- where is good support available and where is it needed?
- how the network can improve SupportTT for our trainees to keep them safe when they return to training.

**Join us on 2 October to  
exchange ideas and share your experiences**

**Book now: [www.rcoa.ac.uk/events](http://www.rcoa.ac.uk/events)**

Supported by a grant from HEE, this meeting will be free to participants.
